

Beverly Parks & Recreation
Clean Up Sheet

Requested Clean Up Area: _____

Parks & Recreation Clean Up Area Commissioned: _____

Name/Group Name: _____

Date of Clean Up: _____

Rain Check Clean Up Date: _____

Thank you so much for your interest in cleaning up the city!

Please read and adhere to the following rules before starting the clean up process:

- Fill out this form and email Jon Paddol at jpaddol@beverlyma.gov to figure out which public spaces need the most help
- **Use buckets** instead of individual trash bags for storing trash during the clean up
- Once finished cleaning up, **combine all trash** collected into one (or however many needed) joint trash bags
- Be respectful to anybody visiting the park/playground/beach that is being cleaned
- Wear gloves if picking up trash by hand
- Wear appropriate clothing and apply sunscreen
- Do NOT pick up any potentially hazardous objects such, needles, deceased animals, etc.
 - If you encounter any needles or hazardous objects of such nature, call the police at [\(978\) 922-1212](tel:9789221212), and they will dispose of it
 - If you encounter any deceased animals, call animal control at [\(978\) 605-2361](tel:9786052361), and they will handle the matter from there

Once again, thank you for your kindness, cooperation, and dedication in cleaning up the City of Beverly.
